

## HOW IT WORKS/ INFORMATION FOR PARTICIPANTS:

1. Please register in the tournament on our website [www.slingshotinrussia.ru](http://www.slingshotinrussia.ru). You will be required to provide your full name, your Facebook name, valid e-mail address, country of residence, contact phone number.
2. After registration, you will receive from us an email with:
  - a registration confirmation,
  - a tournament participant's PERSONAL IDENTIFICATION NUMBER (ID), which consists of 4 digits,
  - a link to pay a registration fee of 5 USD via PayPal.

**\*NOTE:** The letter usually arrives within 1 day. If you have not received the email within one day, please check your spam folder. If there is still no letter, please write to us at [masters@slingshotclub.ru](mailto:masters@slingshotclub.ru) or through the feedback form on the website: [www.slingshotinrussia.ru](http://www.slingshotinrussia.ru).

3. You will need the tournament participant's PERSONAL IDENTIFICATION NUMBER (ID) to indicate when paying the registration fee and on your paper target during the shooting session.
4. After making the payment, you will receive from us a letter confirming participation in the tournament. The fact of paying the registration fee of 5 USD is a confirmation of participation in the tournament.
5. Full information about registered participants who have confirmed their participation in the tournament will be available in the standings on the website [www.slingshotinrussia.ru](http://www.slingshotinrussia.ru).
6. **\*NOTE:**
  - In order to avoid contentious situations in which the panel of referees can annul the result of shooting, all tournament participants are given the opportunity to conduct two rounds. Rounds should be held on different days. When summing up the results of the shooting, the round with the best result of the total number of points scored will be taken into account.
  - It is advisable for participants to wait for the decision of the panel of referees to complete the first round of shooting sessions and to begin the second round of shooting sessions.
  - A round (live broadcast), interrupted for technical and other reasons before the shooting session (before the first shot is made) can be repeated on the same day.
  - The round (live broadcast), interrupted for technical and other reasons in which the shooting session is started (at least one shot has already been fired) should be canceled. This round can be repeated on the same day, but this will be considered as the second round of the participant.
7. The shooting results (the total number of points scored and points for each shot) will be reflected in the overall standings upon completion of the shooting session by the tournament participant.
8. The distribution of prize places and the overall results of the competition will be announced immediately after the tournament.

9. The total number of prize places is 3.
10. With the same number of results (total points scored), the winners are the participants with the highest number of maximum points.
11. All contentious issues will be tabled by the panel of referees for a final decision. The decision of the panel of referees is final and cannot be challenged.
12. The prize pool is distributed as follows:
  - Prize for 1st place - 50% of the prize pool,
  - Prize for 2nd place - 35% of the prize pool,
  - Prize for 3rd place - 15% of the prize pool.
13. After summing up all the results and announcing the winners, cash payments to the participants who won the prize places will be transferred to the same PayPal accounts from which the entry fee was paid, or other specified accounts agreed additionally between the Slingshot Club Administration and the winner.
14. **TO PARTICIPANTS' INFORMATION:** All winnings will be paid to the winners considering the commissions and tariffs of PayPal in force in the Russian Federation when transferring funds to individuals living outside the Russian Federation.
